## GABRIOLA HEALTH CARE FOUNDATION

To the Directors of  
Gabriola Health Care Foundation

I have reviewed the statement of financial position of Gabriola Health Care Foundation as at December 31, 2010 and the statements of operations, changes in net assets and cash flows for the year then ended. My review was made in accordance with generally accepted standards for review engagements and accordingly consisted primarily of enquiry, analytical procedures and discussion related to information supplied to me by the society.

A review does not constitute an audit and consequently I do not express an audit opinion on these financial statements.

Based on my review, nothing has come to my attention that causes me to believe that these financial statements are not, in all material respects, in accordance with Canadian generally accepted accounting principles.
